SHARETHEMEAL is the award-winning app from the United Nations World Food Programme that enables users to feed a hungry child with just a tap on their smartphone and $0.80. From providing school meals in Lebanon to emergency aid in Yemen, over 89 million meals have been shared so far. We believe that technology can empower people all over the world to make a difference and come together to help solve hunger.

TOGETHER WE CAN BE THE GENERATION THAT ENDS GLOBAL HUNGER

AS OF DECEMBER 2020

89 MILLION MEALS 3.9 MILLION USERS 76 FUNDRAISING GOALS REACHED
31 COUNTRIES SUPPORTED 42,121 MONTHLY SUBSCRIBERS
There are 690 million undernourished people in the world today. The rate of hunger is accelerating as the world continues to see an increase in conflict, climate change and economic instability. The good news? Hunger is entirely solvable. With $0.80, we can feed one child for a day and invest in helping even more children in need.

WHAT IS THE UNITED NATIONS WORLD FOOD PROGRAMME?

Assisting almost 100 million people in around 88 countries each year, the World Food Programme (WFP) is the leading humanitarian organization saving lives and changing lives, delivering food assistance in emergencies and working with communities to improve nutrition and build resilience.
